

“Never mind the weather – making the most of tax and succession planning opportunities in the UK”

- Location:** Talbot Olivier Lawyers
Level 8 Wesfarmers House, 40 The Esplanade, Perth
- Date:** Wednesday, 16 February 2011
- Time:** 5:30pm – 7:30pm
- Cost:** \$20 (members) and \$60 (non-members)
- Format:** Case study
- Topic:** Despite its reputation as a higher tax jurisdiction, the UK remains one of the only ‘onshore’ financial centres which offers significant tax planning opportunities to non-UK individuals who become resident there. Australian individuals and families moving to London would be able to benefit from the special regime reserved for so-called ‘non-doms.’

Presented as a case study, this seminar will give an overview of the non-dom regime as well as ideas and opportunities for pre-migration planning and longer term inheritance tax mitigation. It will also touch on UK and EU succession planning issues with a focus on France and Italy.
