

International Speaker – 21 January 2010

Location: The boardroom of Jackson McDonald Lawyers

Date: Thursday, 21 January 2010

Time: 5:30pm – 7:00pm

Cost: \$20 (members) and \$30 (non-members)

Limited to 50 people only

Format: International Speaker Presentation

Topic: Building bespoke conflict management procedures into all key family arrangements like family charters, constitutions, shareholder agreements and where appropriate, Wills and Trusts.

In keeping with STEP Perth's desire to deliver educational events not otherwise available in Perth, we present a seminar presentation by **Ian Marsh** (TEP) of **familydr Limited**.

Ian is a long standing member of STEP in the UK. Ian practised law for over 30 years and was a private client partner with law firms in London and New York for 16 years before founding familydr Limited in June 2006. Ian has clients all over the world, including in Perth.

Ian acts variously as mentor, facilitator, conciliator and mediator to family enterprises, helping them to manage change more effectively, to deal with their differences more constructively and to resolve the crisis that inevitably occurs from time to time.

Ian writes and speaks regularly on effective communication, conflict management and dispute resolution and is the author of the Conflict Management and Dispute Resolution Chapter in Business Families and Family Businesses; the STEP Handbook for Advisers published by Globe Business Publishing Limited.

For those of you in Perth this January, we encourage you to attend.

Accredited Mediators may be able to derive continuing professional development hours from attendance at the seminar. Refer to The Australian National Mediator Standards 6.1 (b): Continuing Accreditation requirements.
