

STEP AUSTRALIA CONFERENCE 2019

Trusts and Estates – Preparing for the Next Decade

SPEAKER BIOGRAPHY

David Marks QC TEP, Inns of Court, Brisbane

David W Marks QC is a commercial silk from Brisbane, specialising in tax. He has a traditional Chancery practice, extending to trusts, estates, business entities and disputes. David joined STEP in 2005, as a TEP. He serves on STEP's Disciplinary Panel, and for STEP Australia on its Policy Committee. In his spare time, he moves 16 white or black puppets on a chequered board, and sees some analogy between chess & tax practice.
